SAILED THE SEAS 38 YEARS

One of His Experiences.

For thirty-eight years Capt. Bond followed the sea, most of that time as master of a vessel, and upon retiring from the water was appointed by the Secretary of the United States Treasury to superintend the seal fisheries in Alaska, which position he held five years. He relates one experience as follows: "For several years I had been troubled with general nervousness and pain in the region of my heart. My greatest affliction was sleeplessness; it was almost impossible at any time to obtain rest and sleep. Having seen Dr. Miles' remedies advertised I began using Nervine. After taking a small quantity the benefit received was so great that I was positively alarmed, thinking the remedy contained opiates which would finally be injurious to me but on being assured by the druggist that it was perfectly harmless, I continued it together with the Heart Cure. Today I can confidently say that Dr. Miles' Restorative Nervine and New Heart Cure did more for me than anything I had ever taken. I had been treated by eminent physicians in New York and San Francisco without benefit. I owe my present good health to the judicious use of these most valuable remedies, and heartily recommend them to all afflicted as I was." Capt. A. P. Bond, Humphreys, Me. Dr. Miles' Restorative Nervine and New Heart Cure are sold by all druggists on a positive guarantee, or by Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, \$1 per bottle, or six bottles for \$5, express prepaid. They are free from all opiates and dangerous drugs.
